A Story of Sweet Beginnings

Tam's Jams was born from the heart of Tamara, an Armenian immigrant who came to America dreaming of becoming a Hollywood fashion designer. Life had other plans — raising a large family came first — but her creativity never faded. She simply traded fabric and thread for fruit and flavor.

Years later, her grandson, now a filmmaker, brought her to the red carpet of his blockbuster premiere — letting her live a piece of her dream. Inspired by her passion, he encouraged her to share her other love with the world.

Tam's Jams is a celebration of family, heritage, and the sweetness of second chances.
